- Scarlett was an excellent TA, always coming to class prepared with an activity for the day. Those activities were always fun and engaging, promoting a heightened learning environment.
- Scarlett was entirely approachable and was always enthusiastic.
- she is so adorable and made me want to try hard in her recitation so I wouldn't make her sad. she had lots of cheesy games that were really exciting for us college students to go back to and play. especially with our competitive nature it was great to play jeopardy against each other. this woman is so great and she's gonna be a great teacher to some lucky kids
- She was so helpful and informative! I definitely feel she helped me succeed!
- She was very good and helped me a lot
- Was a great TA overall
